

Legacy Sale Radiograph Requirements

Radiographs are required for all yearlings in the Friday and Saturday sales.

Radiographs must be taken within 30 days of the sale, and must be submitted by October 17, 2016.

The required views are:

- **Lateral to medial, and two navicular views (60 degree DP and skyline/flexor view) of both front feet**
- **4 standard views of hocks (LM, DLPMO, DP, DMPLO)**
- **2 views of stifles (PLDMO, PA)**
- **Lateral to medial view of all 4 fetlocks**

The above 22 views are required for the repository. Any additional views can also be submitted.

Only those accompanied by licensed veterinarians will have access to the radiographs in the repository.
