**NOTES:** "Gambler" stands 14.2 hands. He is built like a brick house. Stand him at stud, take him to a show or take him home and enjoy him on the trails. He is broke broke broke! He can +1 all his maneuvers! He is solid and fun to ride in the pastures and he gets up and down the hills and enjoys it. He has never been bred. You wont find many chances to own a stallion like him and the opportunities are endless. I bought him at the end of 2019 and when covid hit there was no local shows to go to he has been with Patrick Wickenheiser for the last 2 years. You can show him tomorrow and win.
